

FOUNDERS CIRCLE

The establishment of the Founders Circle by Bluegrass Community Bank (IO) is to recognize those investors who have shown their support for the bank through their significant investment in the bank's initial stock offering. Although the bank welcomes all investors and will provide exemplary service to all our customers/shareholders, we felt it appropriate to offer a special thanks to those who make a significant investment of \$50,000 or greater, who we consider to be Founders Circle members.
